

*Too busy to nurture leads and past clients?*

*Concerned about not creating enough business through referrals?*

*Frustrated with administrative “paperwork”?*

## **In less than 60 minutes learn 7 easy and effective ways to solve Contact Management crisis**

Dear Realtor,

Take a look at your schedule for the next few days. Considering the time you'll spend on the road, how much time will you have to generate repeat business through referrals, nurture leads and follow up emails?

If the answer is "not enough", then it's time to act... Now. Because inefficient contact management *is very costly*.

And that's why we are inviting you to learn in less than 60 minutes "**7 Simple Ways to Make Contact Management Easy**". This FREE webinar is highly informational with no hidden sales pitch. What you learn is not tied to any specific product and can be implemented immediately.

Realtor Janice Higgins raves "*I learned so much and was able to put a lot of the ideas into action right away. I highly recommend this webinar to other realtors.*"

This webinar shows you how to:

- ✓ Stay in touch with past clients to secure more referrals and repeat business.
- ✓ Connect and follow-up with hot prospects and other leads.
- ✓ Set up automatic emails to generate even more leads and sales opportunities, without having to make more calls.
- ✓ Effectively manage your tasks such as appointments and to-do lists and ensure nothing slips through the cracks.
- ✓ 5 things you absolutely need in a contact management app – and one thing you definitely do NOT need. This can save you a lot of time and hassle in choosing the right app.
- ✓ Reduce paperwork and easily transition to 100% paperless.

And as a BONUS, you'll also learn a ***simple 3-step technique that could get you more referrals this week.***

In the last 5 minutes a **special offer** will be announced. This offer is designed to help you start effective contact management immediately.

*What will you do with the extra time?*

Based on user data, contact management app can free-up 4 hours/week on an average. That means *more than 200 hours in a year.* What will you do with that extra time?

Reignite backburner projects? Expand business, offer more services? Close more deals? Spend more time with family or pursue new hobbies? It is totally up to you.

And it's not just about more time. It also means less administrative work stress and more income.

So why delay? [Register today to live better.](#)
